4H / FFA Sponsorship Form

There are two types of projects eligible for the sponsorship. First are those projects which meet the objectives of the 4-H Electric Energy Program. Second are the "marketable" livestock projects (i.e., swine, sheep, beef). Sponsorship is limited to one electricity project **and/or** one livestock project per student. Project must have been completed within the past 12 months.

1. Are your parents/guardians currently members of or receiving electric service from Clearwater Power Company?

If No, you are ineligible to participate.

If Yes, what is your account number? _____
